# CENTRAL GEORGIA NURSERIES

Clinton Road — Route 5 — Macon, Ga.

LOCATION — Our Nurseries are located on U. S. Highway 129, North. Five miles North of Macon. Macon is our Shipping Point.

---

**Prices**— Herein quoted are F. O. B. Nursery and net. Those with established credit 30 days.

**Transportation**— We will ship as you request Railway Express, Freight or Motor Freight. Due to our past experiences we can only recommend Railway Express. As many other carriers will not accept crated nursery stock.

If to be shipped add \$1.00 per plant for cost materials, labor and shipping.

**Claims**— All claims must be made immediately upon receipt of stock. If having been received by shipment advise us immediately and file complaint with carrier as we pack our plants for shipment well and if they are damaged in transportation, this fault is of the carrier.

## NEW SEEDLING CAMELLIAS

After twenty years of growing Camellia from seed, we are pleased to offer these four outstanding varieties of our own originations. And we plan to offer others from year to year. As we flower several thousand new seedling each year. Now have several hundred sorts under observation. We invite you to see these flowering at our Nurseries prior to their release.

We are sure that the following varieties will please you as they are outstanding at their season of Bloom here, flowering late September through February.

**R. L. WHEELER**  
(Plant Patent No. 1137)

**Our Seedling No. W68**

We are confident that this is the most outstanding variety of American Originations.

The flowers are very large to seven inches in diameter, Semi double to Incomplete double rose.

Heavy convoluted guard petals with numerous heavy circular stamens like diatarian, these stamens with petaloids form center.

Strong upright grower with largest of foliage, dark green and distinctly pointed and twisted at point. Maxium size foliage four by six inches. Stood 1950 freeze to six degrees with little damage. Has won numerous awards at shows. Has won top honors in shows Augusta, Georgia, Savannah, Georgia, Americus, Georgia, Temple City, Glendale California, Slidell, La., Burkley Medal of the Garden Club of America, Tricolor and Horticultual Ribbons of the Garden Clubs of Georgia. The 1952 winner John P. Illges Medal of America Camellia Society for outstanding new introduction. In addition prior to Illges award, seven award Merits America Camellia Society at various shows.

### EDDIE G. WHEELER

Named for my wife. A gorgeous soft pink of Donckelaeri form having a beautiful and distinctive sheen, circle of bright golden stamens. Flowers from four to six inches in diameter. January through March. Foliage of medium size oval cuspidate crenate, slow but compact growth and free flowering. Runner up for best flower in two Macon, Shows.

---

### EDDIE G. WHEELER VARIEGATED

The plants and flowers are identical with Eddie G. Wheeler. Except the mottled white markings on the delicate pink ground makes this a most beautiful flower. And will add to any collection.

### WHEELER'S FRAGRANT

A cross pollinated seedling of James Hyde Porter by Herme. It inherits the habit of growth, the form of its flower and early flowering season from the James Hyde Porter and from Herme its color and it exceeds Herme in Fragrance. Flowering during the fall season makes this a most satisfactory variety. Flowers are semi-double to incomplete double Herme colored. Four to six inches in diameter. Semi upright and rapid grower.

---

### LOIS NORVELL

#### Our Seedling W-7

Named in honor of Mrs. Lois Norvell in Atlanta Camellia Show, Feb. 7, 1953.

It is a semi double dark red of unusual form. Prominent short circular stamens, decidedly red at base of stamens. Somewhat resembling Iwana Shibori, stocky upright grower, dark green foliage and flowers on strong stems.

By grafting this has become variegated. Dark red and white. Variegated kind will be Lois Norvell Variegated.

Our first offering of this variety fall of 1953. Orders accepted as received. One year grafts at \$12.50 each F. O. B. sizes depends on order as received and growing season 1953.

### ARLENE IGNICO

An outstanding loosely formed incomplete double flower, resembling Reticulata in form flower and foliage. Foliage lanceolate, crenate to serrate. Midseason flowering of compact growth. Its' unusual form of petals and lovely shade of red makes this variety most appropriate to have been named at The Middle Georgia Camellia Society Show held in Macon, Ga., February 19, 1950 at a ceremony honoring Arlene Ignico, the wife of General R. V. Ignico, the Commanding General of the Warner Robins Air Material Service Command at nearby Warner Robins Air Base. See the flower to appreciate it.
